Re: Becker v. Eber et al.
Civil Action No. 07-cv-4022

Dear Judge Berman:

We represent defendants in the above matter. A settlement conference is scheduled for October 26, 2007 at 9:00 a.m. before Your Honor. We write to respectfully request a one or two week adjournment of the settlement conference due to business commitments that defendants' principal (Lester Eber) has on the 26th. Specifically, in connection with an industry conference in New York City, he has meetings with certain suppliers relative to continued operations of affiliated entities. We apologize for the timing of the request, but we were just advised of these commitments today.

Thank you for your consideration of this request.

Respectfully,

A handwritten signature in cursive script that reads "Gregory J. McDonald".
